

Oxford School Dictionary 2011

This authoritative dictionary is a comprehensive school dictionary perfect for students with its 45,000 words and phrases in alphabetical order. Each entry contains clear numbered meanings, word classes, inflections, supporting example sentences and notes to help with using the words accurately. There are word origins for all root words. Guidewords at the top of each page and the alphabet with a tab make it easy to navigate; the page design is clear and straightforward. There is a friendly and useful guide to using the dictionary dealing with FAQs such as, What do you use a dictionary for? How do I find the words I want? Also useful are the prefixes, suffixes and words and phrases from around the world that are given in full at the back.
