

Adobe Illustrator 10 Classroom in a Book

Illustrator has long since grown from simple illustration tool to full-fledged graphics package. So don't waste time groping your way through Illustrator 10's deep tool kit. Pick up Adobe Illustrator 10 Classroom in a Book, a thorough, self-paced guide to the key features of the program, developed by the staff at Adobe and packed full of professional techniques and tips. Adobe Illustrator 10 Classroom in a Book delivers what no other book can promise: official training from Adobe, tested in the company's own classrooms and labs. This comprehensive workbook is structured as a series of lessons, with a companion CD containing all the necessary files. Each chapter is a hands-on project, and each project builds on your growing knowledge of Illustrator. Review questions wrap up every lesson to reinforce the concepts you've just put into practice. With Adobe Illustrator 10 Classroom in a Book, you'll learn how to manipulate type, blend colors, apply special effects, and prepare your work for printing and other output in record time.
