

## Once Beyond a Time - A troubled family, missing child, and a house beyond time.

2015 Christy Award Winner - Tatlocks lovely prose reminds readers why it is a joy to savor her stories. ~ Publishers Weekly

Some of the visitors seem to have lived there in the past. More mysteriously, some will live there in the future. Then, soon after their move into the old house, their eight-year-old son vanishes without a trace! Has he been kidnapped, or has he wandered off into the dark forest? How does the house beyond time provide the answers, some of them shocking? Brilliant! Thats the writing of Ann Tatlock. Can I be like her when I grow up? Somewhere in time, I could be ... -Diane Huff Pitts, reader review
