

## Anne of Ingleside (Anne of Green Gables)

A favorite of everyone from Mark Twain to Duchess Kate Theres never a dull moment in the life of wonderful, whimsical Anne. The adoring mother of five lively children?with a baby on the way!?!Annes life is full to bursting. And thats before the overbearing Aunt Mary Maria arrives for a lengthy visit... Still, theres nowhere Annie would rather be than her own beloved Ingleside in the adoring arms of her husband, Gilbert. Life with her imaginative, adventurous children seems close to perfect until Anne begins to worry that her very busy doctor doesnt love her anymore. She may be a little older, but shes still the same irrepressible, irreplaceable Anne of Green Gables?and shes ready to make her darling husband fall in love with her all over again! Anne Shirley once said, Dear old world, you are very lovely, and I am glad to be alive in you. That sentiment is echoed by readers around the world whove fallen in love with this remarkable heroine. This new edition lovingly restores the original, unabridged text and includes an all-new, exclusive introduction with special memories from L.M. Montgomerys granddaughter.
