This historical series is about empowered women who turn around their hopeless circumstances in this mid-19th-century tale of the old West, with strong faith and discover genuine men and true love. Meet Dante, the oldest son of the Valentinos. He followed in the footsteps of his father, grandfather, great-grandfather and the other male members of their clan as a Doctor. He has put up a small hospital to serve people in his neighborhood because there's only one elder soon to retire doctor there. However, due to him being hands-on with everything concerning the hospital, his parents are becoming weary and hopeless, so they put up a mail order bride ad for him without his knowledge. His mail order bride Mary Jane didn't know as well that she's corresponding with Dante's parents and not Dante himself! Can this deceptive arrangement have a good outcome for Dr. Valentino and Mary Jane? Will Mary Jane be able to adjust with the situation she's into? Will anyone survive the takeover and demands of a ruthless band of outlaws? Come out West to this beautiful town in Portland City, Oregon. Get busy in the hospital with Dr. Dante Valentino and his brother Mateo, meet their parents and join them as they celebrate La Fiesta Degli Innamorati and get to know our heroine Mary Jane, who is in for a shock of a lifetime in hopes of finding true love.....a story of hope, fear, romance, suspense and true love.....While this book is part of a series, and it can definitely be read as a standalone book.
