

Coaching Soccer for Beginners

Coaching Soccer for Beginners is an indispensable tool for first-time coaches working with young children. Written for non-experts, this book explains the rules and theory of soccer, as well as; the positions and their responsibilities, how to assign each child his or her position, practice drills, and other game preparation tips. It is a great reference source, containing diagrams, illustrations, a glossary, a list of FIFA rules, and explanations as to how they apply to youth soccer. Unlike any other soccer-coaching book, Coaching Soccer for Beginners contains actual agendas for your practices. Coaching Soccer for Beginners is humorous, light-hearted, and packed with useful information. Reading this book is the first step toward a fun and successful season!
