

Blackmailed into Sex Slavery - Episode 5

Tami Williams is unhappy in her marriage, and with her life in general. Finally, after twenty years of marriage, she has a brief affair with a young carpenter who has been remodeling her house. Too bad she chose to have sex with him on the new deck while the other workmen have gone to lunch. What an opportunity for her neighbor, Don, to take some really interesting photographs of her adventure. Within days, Don informs her he will use the pictures unless she has sex with him. She agrees to do as he wishes to keep him from showing the pictures to her husband. Before she realizes what has happened, she is enjoying the sex and is involved with him way over her head. Not understanding his true nature, she becomes a sex slave to his master. She's afraid she is lost to the predator until her mother, who is a Dominatrix, shows up. She sets out to deal with this man that calls himself her daughters Master. Don has heard of the mother, who is well-known in the circles where they both travel, and he is wary of her connections and strength. However, things do not go the way she plans on their first encounter.
