

## The Cliff Notes For The Story of Life

My life has never been rehearsed. Its pretty much been a series of impromptu events, strung together by an invisible string of maybes, should ofs, could ofs and would ofs. Everything would of turned out perfectly.. ... if I just could of done that. I should have taken the other road. Maybe I wouldnt be standing on the side of the road, ...waiting for Godot! Everyone should write The Cliff Notes Version of their thoughts, experiences and life. The ones they like ...the ones theyre proud of, and some of those... they shouldnt write. Like I said, a life full of...Ofs. Kind of like this book. I truly hope it makes you think, imagine, and mostly...Smile! If you did any of the above, then you will be released into the Universe to discover your truths! Carried on that invisible bond which binds us all... Our combined ...Imaginations! Welcome to my little piece of the \*Big Picture\*! The maybe\* Part.....Maybe, if we really imagine.. ..we can bare our Hearts and Souls. Maybe...someone else will imagine they too, can be a part of the light which leads us out of the Darkness we all fear....Rejection! I would ask this one question of you... Can we all live in Peace with each other, someday... with the unconditional love... ...God has for us? Talk Amongst Yourselves! : )
