

Miracle at Coffeerville: And Other Legends of Christmas

If you're like me, you love the Christmas season—the festive atmosphere, the tree, the gifts, the feasting, the songs. People seem to be kinder to one another. There are joyous gatherings with family and friends. However, there is a danger. We can become so wrapped up in the celebration that we forget the true meaning of Christmas, namely that Christ came to provide eternal life for us. The babe in the manger was just a prelude to the Savior on the cross. *Miracle at Coffeerville* is a collection of Christmas stories to warm your heart. Each one portrays the Christmas promise of hope, peace and love that emerges and endures even in the midst of heartache and loss. It is my hope that this little book will inspire you to recapture the joy of the season. May God bless you and may you have a wonderful Christmas.
