

The Magic of Angels: How to Recognise and Harness Your Own Angelic Powers

Angels are a hot fashion item from sky-gazing cherubs and cute little angel dolls with glittery wings to angels on T-shirts, shopping bags, and bumper stickers and they can be found at any local mall. An angel can be used to help with anything, from fixing a bike to finding the perfect partner. Angelology has become very big business. Is there something real behind this popular interest? This guide seeks to discover the truth about angels and angelic energies, to strip away the veneer of popular misconceptions about these powerful forces, and to discover how to find the true magic of angels.
