

## Pilot in Command (Sector Guard Book 25)

Helen has enjoyed her tenure as an Alliance pilot, but working with unpredictable crews is wearing on her nerves. When an incident of defense of the innocent via mutiny ends her career, controlling warships is over. Joining the Sector Guard felt right, but if she had known what was ahead of her, she may have held back when the handsome Azon doctor offered her a job. Hyder has always known the matches that he sees are the perfect mate for the person he is speaking to. He may not know a name, or a location, but he knows what everyone's perfect match looks like. Seeing himself as the Terrans perfect match is a surprise, but when he looks her over, he is sure he is up to the challenge. He just has to put Pilot in command.
