

Claire & Nicole: The Complete Collection (Lesbian Erotica) (SapphiConnection Collections Book 1)

The SapphiConnection exists to bring like-minded women together for fun and sexual stimulation. Find your hot date for the night and fulfill all your mutual desires: no kink is forbidden, no attractions laughable, and most of all, your satisfaction is guaranteed. Finally, all five parts have been brought together in one collection! This 30,000 word collection includes: Part 1 It's been five years since Claire last enjoyed the pleasures of another woman. Those years have left her confidence to rust and her dating life to simmer into a non-existent entity. Thus she didn't let her hopes get too high when she logged onto the SapphiConnection, a website and mobile service dedicated to lesbian hookups. She quickly meets Nicole, a feisty blonde who thinks she can finally give Claire what she needs. Will their rendezvous in a hotel finally satisfy the burning desire Claire's felt for years? God, she hopes so. Part 2 Nicole has made a steady living as a lesbian escort for the past few years. She's tasted and been wrist deep in her literal handful of women, but one thing's been missing recently: a woman she can make real love to who doesn't even know about her career. That's why she arranges dates with Claire, a sweet and sexy woman who fills those sexual holes in Nicole's life. Now with a request from a client for Nicole to be as wet as possible before their appointment, can Claire give the escort a hand or two? She'll have to squeeze her in between clients, but Nicole is starting to think this relationship is more fortuitous than previously thought. Part 3 After a month apart, Claire is more than ready to see her lover Nicole for another round of hot, sizzling lovemaking. She's so ready that she can't hold back from a little preparation - two golden Ben Wa balls ready to make themselves at home. But when she finds Nicole, she discovers that her lover is feeling a little down about something at work. Can Claire lift Nicole's

spirits? Shes got two little guys on her side. Part 4 Although its not actually her birthday, Nicole the lesbian escort has just learned some life-changing news: she finally has a real job again, meaning she no longer has to work as an escort. To celebrate, she hooks up with her lover Claire, who is convinced that its Nicoles birthday - and brings some toys to brighten the occasion. Now free to screw whoever and whenever she wants, Nicole decides to take her relationship with Claire to the next level. But things take an unexpected turn when another client gets her own ideas. Part 5 Its been nearly a month since Claire discovered that Nicole is actually a lesbian escort, and shes still in a spiral of betrayal and self-disgust. However, Nicole seems determined to apologize to her and to clear the air about the origins of their relationship. Claire must not only decide if she can ever see Nicole again, but if she could ever forgive her as well. Will she hear her out with her head held high? Or will Claire succumb to that same cool beauty that sucked her in the first time? The fate of Claire and Nicole is finally revealed in the final installment of their testimony! This work depicts graphic lesbian sex and naughty, naughty words. Not intended for minors or those who get miffed at a lack of men.
