

Operation Youve Got To Be Kidding Me: a Young Adult Spy Novel

When a bunch of suits from the CIA recruit 16 year old Renady Parks by threatening her family, they soon find out why you really shouldnt mess with a redhead. While kicking butt and taking names sounds great in theory, 16 year old Renady Parks would prefer the CIA picked another gal to do their dirty work. After being kidnapped, her family threatened, and her life turned upside down, she wants nothing more than to escape and get revenge against the CIA. However, when an ex agent creates an army of young assassins and chooses her as his next target, well, lets just say Special Agent Renady Parks has bigger fish to fry. But who said a girl cant multitask?
