Will protecting children throughout the world cost Natasha her own family? Devastated by the loss of her brother, Natasha Senecot works to expose the dangers of Matthew Chryslers violent video games, succeeding in bankrupting and humiliating him. Chrysler retaliates and sends a hit man after her. Natasha is forced to fake her own death to protect her children, but after witnessing another tragedy, Natasha wont hide any longer. In a race against time, can Natasha expose Matthew Chrysler before his assassin murders her family and shatters her world? From the very first chapter, Blog This grabs your gut and your heart with surprising action and touching moments.

Cami Checketts blends suspense, humor, and good clean romance into a story that will stick with you. Daniel Coleman, Author of Gifts and Consequences Loved it.

Loved it. Loved it. Have read all of Camis books but Blog This is on the top of my list. Read it twice and enjoyed it just as much as the first time I read it. Just when you think you know what is going to happen youre led into a different direction. Had a hard time putting the book down and was anxious to see how it was going to end. Elsa Akinason
