

Adobe Illustrator Creative Cloud Revealed Update (with CourseMate Printed Access Card)

Your Adobe Creative Cloud package includes two components: 1) Online access to Adobe Creative Cloud updates on your CourseMate product, and 2) the CS6 edition of your Adobe book. CourseMate enriches your learning with thorough, chapter-by-chapter summaries of the new Adobe Creative Cloud release. Author-created video introductions cover each chapters learning objectives, emphasizing their importance for the contemporary design professional. Flashcards, quizzes, and games are also included. Your printed book covers fundamental concepts, starting with the workspace and proceeding logically and intuitively to more advanced topics. Step-by-step tutorials and user-friendly design result in a resource that is comprehensive, clear, and effective. Contact your Learning Consultant to learn more about how CourseMate can enhance the way you teach and your students learn. The online Creative Cloud content updates are for the June 2013 release of Adobe Creative Cloud.
