

## Bless the Child (Pigeon Hollow Mysteries) (Volume 4)

When Amelia interrupts a man in the process of kidnapping her infant son, Gabriel, there is no one home to help defend her. As a new mom, Amelia feels her only choice is to bargain with the man, and convince him to take her too. Being held for ransom by a man who thinks there is still money left from the robbery her parents committed almost twenty years ago, she begins to realize there may have been more to that crime than she originally thought. In a race to get herself and her son rescued, Amelia puts coded messages in the ransom letters the man forces her to write. Will her husband and family be able to decode her pleas for her life before it's too late?
