

# The Young Adults Guide to Dream Interpretation: Learn What Your Dreams Mean

This book will tell you everything you need to know to comprehend what your dreams are telling you. You will understand how to interpret some of the most common subjects in dreams, including flying, falling, problems with money, tests and even death. You will learn ways you can create a more dream-friendly bedroom and how to use a journal to track your dreams. This book will also cover paranormal dreams and explain more about extrasensory perception, deja vu, and out-of-body experiences. Using this books A to Z interpretation guide will ensure interpreting your dreams doesnt turn into a nightmare. We spent hundreds of hours researching what dreams mean to provide you with a comprehensive guide for decoding them. This book contains more than 1,000 symbols and situations that appear most commonly in dreams.
