

Encyclopedia of Housing Law and Practice

The Encyclopedia of Housing Law and Practice provides the housing law practitioner with a wide spectrum of housing information. Housing Acts, Rent Acts, Leasehold Reform Acts and all other relevant legislation are updated regularly and annotated with expert commentary by a team of the leading practitioners in the housing law field. * Four releases a year ensure that you stay up to date with recent developments * The contents of each release are covered by a Release Bulletin outlining major changes, new statutes and statutory instruments, new cases etc.
