

## THE NERD SIDE OF US / VOL.1: Explore your Nerd side (THE OUTER SPACE VOCABULARY.)

The Nerd side of us, means that there is one part of our minds that loves to secretly explore the most unexplainable things of science and technology of our daily life, our past, our present and future... but some times we also explore in our minds all these complex and hidden things that not everyone would understand, things that by their intellectual complexity regular minds dares not to touch and less talk, because if someone does It might be considered by others as crazy ?Would you dare to explore your ?Nerd? side? Try it... And you will realize that in fact... We all have it... Welcome
