

# Singularity

When his friend is murdered, illusionist Jevin Banks is determined to find out what really happened. Drawn into a web of conspiracy and top-secret research on human consciousness, Jevin won't stop digging until the truth is revealed. Soon he uncovers a dark secret - one that could change the very fabric of human life on the planet. Bristling with mystery, suspense, and intrigue, Singularity is the second riveting book in The Jevin Banks Experience. Readers will devour this scientific thriller, flipping pages late into the night until the final shocking page.
