LOCH NESS GANGBANG Luke has been obsessed with the Loch Ness Monster ever since he was a little boy, and now that hes all grown up, Luke finds himself on the adventure of a lifetime hunting for the creature in Scotland. After receiving an insider tip, Luke camps out in a cove that is known for sightings of the beast, but when hes awakened by a strange noise it becomes very clear that there could be more than one monster lurking in the lake.

Completely surrounded by horny creatures, Luke suddenly realizes that his obsession is more than just an innocent fantasy, its a recipe for a gay interspecies gangbang.

MERMAN GANGBANG After a year of traveling the world, John has one final stop, to visit his aunt and uncle in Australia, before heading home. But what begins as a peaceful week in their secluded beachfront cabin turns wild quickly.

When John starts to hear strange songs from the beach caves, and sees what looks like handsome men splashing in the waves, hes tempted to find out more. Little does he know that his curiosity will lead him into the center of a gay mind-controlled merman gangbang.

SWAMP APE GANGBANG Chris is thankful that he got out of Florida, having made a name for himself as a young male model in big city New York. But that doesnt excuse him from taking trips home to see his family every now and then. After driving for

days, Chris suddenly finds himself lost and broken down on the side of the road after a large creature steps out from the swamp. Worried that the legendary Florida Swamp Ape might be tracking him down, he finds his way to an old abandoned house deep in the marsh. Unfortunately for Chris, the house already has some new residents; and they're hairy, huge and horny. It looks like the only way for him to get back to civilization is through a gay, beastly gangbang. **KRAKEN GANGBANG** When Jason boards a small fishing boat on the way to San Francisco Bay, he has no idea the erotic horror that awaits along his journey, or deep beneath the waves. After the crew regales him with tales of massive, squid-like beasts, Jason is suddenly left on the boat alone for the evening and discovers that the stories are all too real. Soon he finds himself in the middle of a ruthless gay kraken gangbang, and loving every second of it! **LIZARD MAN GANGBANG** Despite being required to wade through the deep Louisiana swamps all day, Pete loves his job. There's nothing quite like the thrill of discovering a new species, and the most thrilling of all would be to find the Louisiana Lizard Men. Too bad they're only legends. But when a strange hillbilly shows up at Pete's research station hawking his very own lizard man attracting cocktail, the creatures quickly become more than just folk tales. Soon Pete finds himself fighting for survival in a gay lizard man gangbang. **SHARKMAN GANGBANG** Aaron is a criminal by trade, a professional thief and swindler with his sights set on one last score before turning his life around and going legit. Going solo, he breaks into the home of renowned deep-sea explorer and television personality Norman White in search of set of rare pearls. After falling into a tank in Dr. White's personal aquarium, however, Aaron finds a very different kind of pearl necklace. Now he's stuck trying to break out instead of break in, and the only way is through a gay sharkman gangbang.
