

Jerome Andrews Golf: Myths and Drills

WARNING: You may have been getting bad golf advice for YEARS! But how do you know for sure? Let an expert separate myth from fact and get you to the next level with Jerome Andrews Golf: Myths and Drills. This Vook combines expert instruction in one clear voice with videos that highlight some of golf's most common myths. Download this app and let Jerome show you the RIGHT way to get to model form and technique now. Golf is an incredible game, but as everyone knows, it isn't easy. Friends, family, and colleagues will all have their own take on how you can improve your game, but not all of them will be right. In this Vook, Jerome delivers the kind of focused approach you need to get onto the RIGHT track. He'll set you straight on the myths of width in synchronization, the one piece move away, initiating the downswing with your legs, and keeping your head still. Jerome will address myths of swing and rhythm that have been passed down through generations of misinformed golfers. Jerome will also demonstrate the correct way to achieve success in your game with targeted drills. You'll find that many golfing tips you've received over the years have been dead wrong, but don't worry; you're well on your way already! Whether you're just hitting a few on the driving range, or teeing up with some serious competitors, you'll be amazed at how quickly you'll be able to improve your game. Isn't it time you gave some advice of your own? Make it GOOD advice: download Jerome Andrews Golf: Myths and Drills now!
