

Kids, Sports, and Concussion: A Guide for Coaches and Parents (Praeger Series on Contemporary Health & Living)

This comprehensive, reader-friendly book written by a top physician in the field explains to coaches and parents how to understand, cope with, and prevent sport-related concussions among children and teenagers. A foreword from Lyle Micheli, MD, past president of the American College of Sports Medicine and author of *The Sports Medicine Bible for Young Athletes*, commenting on the significance of sport-related concussion in pediatric and adolescent sports. A glossary. A bibliography referencing key investigations in the scientific literature for readers seeking a more in-depth, scientific analysis.
