

## Managing Pain Before It Manages You, Third Edition

Imagine finding a way to spend less time in doctors offices, and to decrease the discomfort, depression, and anxiety associated with chronic pain. Managing Pain Before It Manages You offers just that--a program to help you reduce your pain and learn coping skills to get your life back. Developed over the authors many years of working with chronic pain sufferers, this program has been proven effective. Program participants report that they have been able to take control of their pain and cut their doctor visits by more than one third! Straightforward and compassionate, this hands-on guide provides detailed information plus step-by-step techniques, activities, and worksheets (perforated for easy removal and photocopying). Dr. Margaret Caudill helps you:

- \*Understand the causes of chronic pain
- \*Recognize what increases and decreases your pain symptoms
- \*Reduce your pain and emotional distress
- \*Learn effective problem solving
- \*Make informed decisions about medications and nutritional therapies
- \*Incorporate relaxation, meditation, and gentle exercise into your daily routine
- \*Communicate effectively about your pain
- \*Set realistic goals

New to the Third Edition

Thoroughly revised and updated, the third edition includes the latest information on medications and other clinically proven treatment strategies, expanded coverage of specific pain disorders, and a new appendix featuring Internet resources. Plus, readers can download free MP3 audio files of three of the guided relaxation exercises in the book (one hour total).
