

Megans Desert Heat

Megans summer vacation had involved a shocking, wicked experience in the Egyptian desert, bringing her dark fantasies about being a prisoner of the Arab Sheiks of old Egypt alive. Now she wanted more! She returns to Egypt, and Hassan, but with no idea what is to happen. Soon she is stripped and being sold at auction, or so it seems! She is carried along through a breathtaking erotic fantasy, never quite sure how real it is as, collared and shackled, she becomes the property of any man who wants her!
