

Official MotoGP Season Review 2008

Now in its fifth year, the official MotoGP Season Review records the 2008 season with a captivating blend of fine writing, expert analysis, brilliant photography and detailed statistics. This was the year Valentino Rossi took back his title, winning nine of the 18 races and standing on the rostrum an astonishing 16 times. He also regained the MotoGP crown after a gap of two years, something only the great Giacomo Agostini has achieved before in the entire history of the GPs. Off track, there was plenty of intrigue surrounding the move to a single tire supplier for 2009. Each of the 18 races is covered in depth, with full race report and supporting statistics. There is a technical review of the bikes, featuring a stunning double-page photo of each machine, and each riders season is summarized. Finally, there is the unique Riders Rider of the Year feature, in which all the riders who have ridden more than one MotoGP race this season vote to find out who they judge is the best rider.
