

Ohio Consumer Law, 2011-2012 ed. (Baldwins Ohio Handbook Series)

This handbook is a convenient reference for attorneys, consumers, and providers of consumer goods and services in Ohio. The authors use their up-to-date analysis of recent legislation and case law to explain the federal and state statutes, rules, and court decisions applicable to Ohio consumer law. Drawing on both reported and unreported Ohio trial and appellate cases, they provide numerous examples of how the courts have applied Ohio consumer laws to specific facts.
