They Needed a Third Person to Complete Their Relationship Lila and Nova are mated, eternal partners with a lifetime of history and experience with each other. Their sex life, however, is non-existent, dragged out by Novas secret, hidden from the world: He cant keep it up with a woman. Following a plan they hatch after a night of failed sex, they decide to bring in another man, to help Nova create children. Sick of surprise threesomes with his ex, Soro walks away, coming across a view so spectacular that he cant help but look away and the landscape behind her is beautiful too.
