

Summer of 98

A wonderfully lyrical tale of the season that put poetry back into baseball... . The best book yet by Americas finest sportswriter. -- Pete Hamill Here is what makes Mike Lupica so goodhe is a gifted writer with the skills of a first-rate reporter and the honest sentiment of a lifelong fan. Here is what makes this book so goodbaseballs summer of 98 provided authentic moments of poetry and passion, the kind of stuff that shines through all the crassness and nonsense, to remind us all why we can still care. Id say the storyteller is a damn good match for the story. -- Bob Costas, NBC Sports This isnt just one of the best books youll ever read about baseball. Its one of the best books youll ever read about fathers and sons. And one more thing: in this one, I said everything Mike said I said. -- Yoggi Berra No one writes about baseballs glorious sporting scene better than Mike Lupica, and this was one of the greatest glory years of all. -- Tom Brokaw, NBC News From one of sportswritings best-known commentators comes a funny, moving, and unconventional exploration of a glorious baseball season. In the summer of 61, Mike Lupicas father left notes for him in the night: Maris hit another, Mantle went two-for-four, the Yanks won. That was Lupicas best summer ever. He thought hed never have another like ituntil the summer of 98, when he found himself leaving notes for his own sons: Sosa hit another, McGwire hit one back. And the Yanks won. With humor and feeling, Lupica recaptures the season that made everyone stand up and cheer, but not in any ordinary way. His is also a story of fathers and sonsabout the golden thread that stretches through baseball and, for Lupica, from his father to himself to his sons. I cannot tell you why baseball is passed on the way it is, more than the other sports. I just know it came first with me. It was something I shared with my father, and still share

today. It was a special language we had, at the ballpark, in the front seat of a 56 Dodge, watching on television. Talking on the telephone the night McGwire hit No. 62, all that time after we had watched Maris hit No. 61. A love that fits inside a bigger love, like a ball in a mitt.
