

Survival Kit (The Azrieli Series of Holocaust Survivor Memoirs)

An only child, fifteen-year-old Zuzana Sermer did what she could to protect her father and ailing mother when the Nazis set up a fascist regime in her native Slovakia in 1939. Four years later, after fleeing to the supposed safety of Budapest, Zuzana and her fiancé, Arthur, instead navigated one treacherous situation after another. *Survival Kit* is both Sermer's thoughtful reflections on the miracles of her survival and a testament to the power of courage, love and determination.
