

Defrocked: Nefarious Intent

Defrocked: A Hot Quickie Sent to Saint Anthony's Catholic University to complete his education, Shane Perks struggles to focus on his studies and see his way through. Denied intimate relationships and the freedom to come and go as he pleases, frustration and angst mounts. Hormones, anger and fists fly. The only woman able to tame Shane's temper and easily-riled spirit is the last woman on earth he should be attracted to. What's worse is that he doesn't just fantasize about her intimately, he craves her stern correctional efforts.

Excerpt: The first day she taught class I considered her to be cute. With fair skin, rich, hazel eyes, and a delicate, round face she was adorable. Her voice was soft and sweet. Most nuns at St. Anthony's were elder, gruff and worn. Sister Ahn was not. Just the opposite, she was young and fresh. To a young man who hadn't spent any time with an appealing female for so long, she was angelic. Many of the boys responded well to her gentle nature. Without having to raise her voice, she could break up a fight. It wasn't enough, though, not for me. She was like a salve for a wound, she wasn't a cure for the disease.
