

# The Complete Idiots Guide to Palmistry, Second Edition

Your future is in your hands. This updated and revised second edition covers palm and hand reading, including an in-depth look at individual fingers, lines, and the shape of the palm, and how these can be read to reveal personal insights. All-new information on health, happiness, and well-being and how a reading can interpret them. Worksheets to help beginners chart the dominant characteristics of the hand and what they mean in a reading. Exercises, examples, and detailed line drawings to ease beginners into the practice of palm reading. Perfect for beginners and a good quick-reference guide for more experienced palm readers.
