

THE FOURSOME IN FRANCE: A Public Group Sex Short (European Summer Sexcapades)

Arlie and Brandi are excited about their European vacation, but they've saved the best for last. These competitive girlfriends have dared each other to bare all on a nude beach in France, and neither is going to back out. When two handsome French men come upon them, though, things really heat up. Neither girl is willing to let the other outdo her, so naked on the beach turns into deep throat, anal sex, and even double penetration! Warning: This ebook contains very explicit descriptions of sexual activity during a public group sex encounter between two women and two men. It contains oral sex, first lesbian sex, deep throat, anal sex, rough sex, and double penetration. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults. Here is a preview: The men nodded, repeated their names and then asked if it would be okay if they sat down. The girls didn't hesitate to say yes. Arlie was beginning to get an inkling that their final day in France was about to become their fondest memory. Erec, the one with the strangely dark but still yellow hair sat next to her while Luc sat next to Brandy. She glanced at his penis. It was thick and large, even though it was flaccid at the moment. She wondered if all French men could sit with nude women and remain soft. It was strange. Arlie had never been that close to a naked man she wasn't in bed with, and she felt her nipples harden instantly and then flushed red with embarrassment. Brandy made it worse. She leaned over and kissed Arlie's cheek whispering, I dare you. Arlie turned and looked at her friend who wasted no time at all but leaned over Luc and enveloped his soft cock with her mouth. She couldn't believe the sight of it. Brandy took the whole of his soft cock into her mouth, and then she was sliding up as his cock responded, growing hard and long and thick. She went to the base a second time,

but the third time, she gagged about two thirds of the way down and began rhythmically sucking the top half while she stroked him. Arlie turned to Erec. He was watching Brandy suck on his friend, his eyes glued to her lips as she worked on him. Arlie could see Eric's cock responding, growing, and she almost gasped. He was far bigger than anyone she'd ever seen before. She watched it grow, looked at Brandy again, and then back at Erec. Finally, she leaned, crawled over to him and got on all fours between his legs.
