*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. The Grand Inquisitor is a parable in Fyodor Dostoyevsky's novel The Brothers Karamazov (1879/1880). It is told by Ivan, who questions the possibility of a personal and benevolent God, to his brother Alyosha, a novice monk. The Grand Inquisitor is an important part of the novel and one of the best-known passages in modern literature because of its ideas about human nature and freedom, and its fundamental ambiguity.
