

## The Living Mind: Finding God in the Machine

The Living Mind is an openly Christian novel. I do not claim to speak for any specific Christian group, and I hope that none are offended by the ideas I present. It is my hope that people of all faiths can find entertainment, inspiration, and food for thought in these pages. how it is that anything so remarkable as a state of consciousness comes about as the result of irritating nervous tissue, is just as unaccountable as the appearance of the Djin when Aladdin rubbed his lamp. - T.H. Huxley
