

US Youth Soccer Official Coaching Manual

An indispensable tool for anyone coaching youth players. This manual contains a gold mine of information for novice as well as experienced youth coaches. Using an educational and sport science foundation rather than a simple collection of drills allows the youth coach a better understanding of the player. A few of the topics covered include: The Art of Coaching, Learning Through Game Activities, Characteristics of Effective Coaching, Successful Player Development, Tactical Awareness and Team Concepts, Correcting Technique, Competition and Player Development.
