

Liberate Me [Cheating Wife Alpha Male Fantasy Erotic Romance]

Sometimes, a girl needs to be free. And sometimes, when her man isn't acting right, he'll push her in the direction of that freedom. These stories feature tales of ladies who refuse to be mistreated, and reclaim their sexuality, while finding new beginnings with sexy alpha males. **Whore for a Day:** Betty's argument with her husband sends her driving away in a rage. She's fed up with their dull, boring life, and she drives wherever those four wheels take her. When she ends up at the local mall, her rage turns to intrigue, when she comes upon a handsome 20-something stranger who catches her eye. In an impromptu move to feel sexy again, she invites the stranger to the bathroom stall so they could get naked and bang each other until it hurts. **WARNING!** This story is hot! You may find yourself getting more than a little hot and bothered, so be sure to read it when you are alone and free to touch yourself. You'll read steamy depictions of public sex, oral sex, doggy style and plenty of rough, hard, action in a bathroom stall. **Bigger Than My Husband:** Stacey and her husband are trying to get pregnant, but she just can't get excited about the process of actually trying. His alpha male edge is all but gone, and she knows that once they have a baby he'll turn fully into Mr. Mom. Stacey realizes she's missing something. To fill her hole, she needs something bigger... Something blacker... When she heads out to a local bar, she finds that, in the form of Darryl. They head to the bathroom of the bar to get busy, and she takes every inch of him in her mouth, in her hole and has him by the balls, getting him to give her all of his juices until she's satisfied, to make up for all of her husband's inadequacies.
