

A Prince Without a Kingdom: Vango Book Two

International award winner Timothée de Fombelle brings the breathtaking global adventure of Vango to a thrilling conclusion. Fleeing dark forces and unfounded accusations across Europe in the years between World Wars, a young man named Vango has been in danger for as long as he can remember. He has spent his life running along rooftops, fleeing to isolated islands, and evading capture across Russia, Paris, New York, and Italy. Narrow escapes, near misses, and a dash of romantic intrigue will rivet adventurous teens to their seats as Vango continues to unravel the mysteries of his past. In the shadow of a rapidly changing world, can Vango find those who have hunted him for so long and uncover his true identity?
